Student Accommodation Referee Statement

Background

The applicant has applied for a place in Tai Poutini Polytechnic’s (TPPL’s) Student Accommodation, located in Greymouth on the West Coast of the South Island.

Part of the assessment for suitability for a place in Student Accommodation includes the submission of a referee statement. **Please note that parents, other relatives, and legal guardians cannot act as a referee.**

The accommodation is a self-catered facility, with a staff member contactable 24/7. It is essential that residents are of sufficient maturity to be able to make sound decisions, and to recognise and respect the needs of other residents. Please keep this mind when completing the form.
