

TWO DAY COURSE

SAR Leadership

This is a two-day course for experienced SAR personnel who will be part of an Incident Management Team. Your attendance of this course must be pre-approved by your SAR organisation.

Pre-requisites:

Completion of a pre-course assessment workbook

Upon completion of this course, you will be able to lead yourself and others in an action-oriented environment.

Topics covered during this course will be:

- Demonstrate knowledge of leadership styles and responsibilities
- Gain knowledge of the effects of human behaviour on the group life cycle
- Develop strategies to maintain morale and discipline
- Be able to solve problems and make decisions in a fast-paced environment
- Be able to brief and debrief a team
- Describe and demonstrate an effective leadership style
- Explore conflict management strategies
- Minimise and manage the initial effects of Critical Incident Stress

Enrolment through Tai Poutini Polytechnic at:
