The Tai Poutini "Edge"

Tai Poutini is nestled between the wild Tasman Sea and the grand Southern Alps. People who live on the West Coast know what it takes to live on the edge. Confidence, skills and a "can do, will do" attitude set them apart.

TPP graduates are out there on the edge doing it!

He aha te mea nui o te ao?
He tangata, he tangata, he tangata!
What is the most important thing in the world?

It is people, it is people, it is people!

Get ready for a career in one of New Zealand's biggest export industries with tourism training at Tai Poutini Polytechnic.

If you enjoy working with people and have a flair for service, Tai Poutini Polytechnic can help you secure a career in the tourism sector. The options are endless if you're looking for jobs in tourism, and this travel programme will help you get a foot in the door.

With a specific West Coast flavour, and designed to fill a need in the local market for staff with strong customer service skills, the programme will focus on giving you the knowledge and attributes needed to work in the vibrant and diverse tourism industry.

Core Elements

Graduates will be able to:

- Implement basic customer service skills, applying appropriate communication, literacy and numeracy skills to enhance the visitor experience
- Apply workplace practices required of a tourism or travel workplace including: teamwork, timeliness and compliance with relevant legislation
- Apply knowledge of major New Zealand tourism destinations in terms of characteristics relevant to visitors to enhance the visitor experience
- Recognise the importance of the tourism and travel industry to the New Zealand economy, including the structure and operations of the New Zealand inbound and outbound tourism industries to demonstrate an understanding of the context they work within.

Further Study Pathways

- Food and Beverage Services for Cafes and Restaurants
- Outdoor and Adventure Education

Career Pathways

The customer service skills you'll learn will open doors for you to a huge variety of jobs and careers. You'll learn essential communication and leadership skills which will improve your confidence and open doors to further study should you wish to continue.
