

TWO DAY COURSE

Training for Delivery

This two day course teaches the student how to maintain a positive learning environment to maximise student learning and minimise barriers to this learning. The student will learn how to prepare for, deliver and review training sessions.

The course is a mix of theory and practical with each student preparing and delivering a short training session to their peers during the course. The student prepares their training session on Saturday evening and presents on Sunday.

On successful completion and post course work, students will obtain the following unit standards:

- **7115** – Create and maintain a positive learning environment for adult learners – Level 4 – 6 credits.
- **7108** – Deliver on-job training for adult trainees – Level 4 – 8 credits.

Training for Delivery Post Course Work includes:

- **Preparing and conducting three training sessions.**
- **Reflecting on the sessions.**
- **Answering some theory questions.**
